

Creston-Kenilworth

10/26/2015

Logistics: 7:15-7:45 at regular NA meeting at Shut Up and Eat, 39th and Gladstone

Attendance: 10

Comments

- Why here and not other places close to transit (especially MAX)
- Creston-Kenilworth is ready for more density
- Original Comp Plan designation was set in 1980 - things have changed
- Don't support changes that will mean more people in cars.
- Areas near Powell make sense to up-zone, given BRT line
- Give us a way to provide feedback online
