

SW Corridor Equitable Housing Strategy

As we prepare for a future MAX line from Downtown Portland to Tigard, people are working to bring more housing choices and opportunity to the area. Portland and Tigard need their community members to help shape the future of housing in your neighborhood so all people can benefit from this once-in-a-lifetime investment around public transit.

Join your neighbors, community leaders, affordable housing organizations and elected officials and be a part of a conversation about housing and light rail.

**Share your ideas and learn what others are doing to create housing for all.
Join us at a Community Learning and Listening Session.**
