Thank you for attending the Concept Plans Workshop. We appreciate your participation as we explore future possibilities. The next step is to create a preferred plan featuring the best ideas from the concepts, based on feedback from the community and other sources.

Please tell us which Concept Plan comes closest to meeting your vision for the site regarding the six “features” below. Place an “X” in the appropriate cell to indicate your preference. Add your other ideas or feedback in the comment sections. Please return this form tonight or mail it in by April 24, 2019.

	Features	Concept Plans			Comments
		A: View Corridor	B: Main Street	C: Grid Streets	
1.	Commercial buildings (shops, services and businesses) – location and amount.				
2.	Street layout and pedestrian connections for walking.				
3.	Mountain view opportunities.				
4.	Housing (apartments, townhomes, cottages) - location and mix of types.				
5.	Barn location and function.				
6.	Plazas and public or green spaces.
