

FY2016-17 Competitive Process Special Appropriations Grant Awardee, STREET ROOTS

Grant Project: VENDOR ZINE

The creative writing group at Street Roots is a group of vendors who meet weekly to discuss and write about different topics. Twice a year, they collaborate around one subject area, produce poetry and artwork to publish a zine. The zine is purchased by Street Roots vendors for \$1, and then they sell it for \$4. Many are also gifted to vendors for contributing content and as part of the annual holiday party and gift bag.

Below are candid snapshots of this year's grant project.
