

**FY2016-17 Competitive Process Special Appropriations Grant Awardee, AIRWAY SCIENCE FOR KIDS**

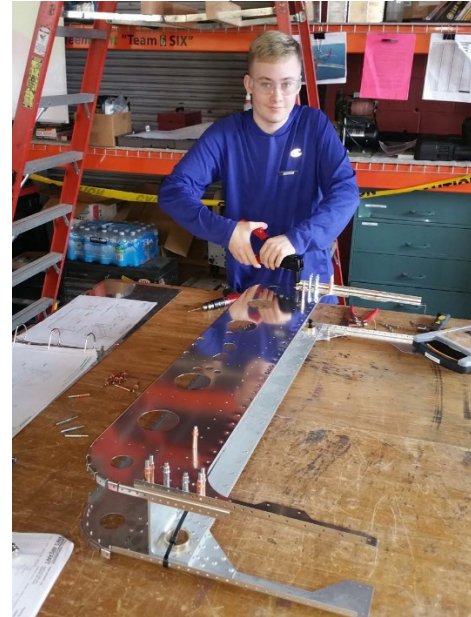

**Grant Project: NE PORTLAND TEEN FLIGHT EXPANSION PROJECT**

Airway Science launched a new NE Portland Teen Flight program. The program is held in partnership with the Rebuilding Center, at their location in N. Mississippi. The Rebuilding Center offered their program space to ASK as an in-kind donation.

Below are candid snapshots of this year's grant project, the purchase of a truck for use by their delivery team.

Working on his pre-building project, the “OP-51” aluminum riveting project

Beginning to work on the fuselage section of the RV-12 aircraft

Another youth working on the fuselage section of the RV-12 kit.

Youth taking part in a demonstration on how to use a hand riveting tool to complete their “OP-51” project
