

Green Spend Snapshot

CITY OF PORTLAND PROCUREMENT SERVICES
Fiscal Year 2014-15

As guided by the City's Sustainable Procurement Policy and related sustainability directives, the City of Portland aims to take a comprehensive approach to procuring goods and services such that environmental and social impacts are incorporated into procurement decisions along with traditional fiscal considerations. While the scope of this work affects a large variety of City purchases, the following data is a green spend snapshot from those City contracts where vendor usage reports are available.

Office Supplies

¹ Does not include most white copy/printer paper, as that is provided on a different contract.
