

Job Order Contracting Training

The City of Portland is implementing a new Job Order Contracting Program to streamline the process for executing small to medium projects and develop relationships and contracts with contractors to more quickly and efficiently respond to project demands.

* Discussion Includes:

- Introduction to Job Order Contracting
- What types of projects qualify for Job Order Contracting
- What types of contractors are needed
- Q & A

DATE: Friday, March 29, 2019, 9 to 10 a.m.

WHERE: OAME—731 N. Hayden Meadows Drive, Portland, 97217
