DIVERSITY & CULTURAL COMPETENCE

Our Commitment

BTS is committed at all levels to fostering a workforce reflective of our diverse community and incorporating cultural competence in how we work together to provide service.

Our Values

Awareness & Sensitivity – We value awareness and sensitivity to cultural differences.

Equality & Inclusiveness – We value a respectful and inclusive work environment where all employees receive equal treatment and opportunity.

Trust – We value a safe & supportive environment in order to foster a sense of trust and security.

Creativity & Empowerment – We value the creativity that comes from employees who are empowered to share diverse perspectives and experiences.

Representative/Reflective of Community – We value having a workforce that is reflective of our community to properly meet the needs of the public.
