ESC/PAC Meeting

Date: 24 July 2014

Time: 10:30 A.M. – 12:00 P.M.

Location: EBS Conference Room

Presentation

Discussion Topics

- OMF Re-Org: Fred Miller discussed the OMF re-org. He also touched on hearing from employees about how OMF can do better and described work on an Innovation Office.
- EBS Transition to BTS: Ben Berry reminded ESC/PAC that there would be no outward-facing changes to EBS for at least six months. Currently BTS and EBS are finding opportunities to integrate systems and data.
- Project Updates: Satish updated ESC/PAC on EBS's current projects and described projects under consideration.
- PBOT Activity Allocation: Ken Kinoshita described PBOT's successful switch to Activity Allocation. He invited questions from other bureaus who may be interested.
- Ticket Status: Satish updated ESC/PAC on EBS's open tickets.
