Existing Organizational Units

The screenshot shows the SAP 'Existing Organizational Units' selection screen. At the top, there is a menu bar with 'Program', 'Edit', 'Goto', 'System', and 'Help'. Below the menu is a toolbar with various icons. The main area is titled 'Existing Organizational Units' and contains two main sections: 'Objects' and 'Reporting period'.
In the 'Objects' section, there is a field for 'Organizational unit' with the value '00000624' and a dropdown arrow. To its right is a 'to' field and another dropdown arrow. Below this are 'Search Term' and 'Status' fields. The 'Status' field has a radio button next to 'All existing'.
In the 'Reporting period' section, there are four radio buttons: 'Today', 'Current month', 'Current Year', 'All', 'Past', and 'Future'. The 'All' radio button is selected. To the right of these are two buttons: 'Key date' and 'Other period'.
At the bottom left, there is a checkbox labeled 'Standard selection screen'.
The bottom status bar shows the transaction code 'S_AHR_61016491', the user 'sapdrp', and the role 'OVR'.

10. Click **Exit** button  .
