SUBJECT: 2014 PSSRP ANNUAL REPORT

DATE: February 11, 2015

Attached please find the 2014 PSSRP Annual Report. This Report highlights the accomplishments of the three projects within the Public Safety Systems Revitalization Program (PSSRP) during the 2014 calendar year, which included the completion of the Fire Information System (FIS) replatforming project and transition of the project to Portland Fire & Rescue and the Bureau of Technology Services. The remaining two projects continue to be in stable status in scope, schedule and budget.
