

Portland Bureau of Transportation

The following questions were asked during the bureau's budget work session. Responses are included in the attached packet.

1. Please provide an update on LED light conversion project.
2. What are your plans for Powell Blvd?
3. How much did the last parking rate increase supported by BPA generate compared to the cost of the Downtown Marketing contract?
4. Need a history of the Downtown Marketing Initiative funding and Council agreements (provide documents on ordinances, agreements, and transcripts of Council discussions on the topic).
5. Have we ever funded a DEIS with General Fund?
6. Which bridges need to be retrofitted for earthquakes, and how many of those have Water conduits attached to them?
