General Fund Contingency -- FY 2016-17, as of Jul 01, 2016

	Budget Amounts	Reserved	Committed	Appropriated	Available
	A	B	C	D	A-B-C-D
General Fund Unrestricted Contingency - Adopted Budget	1,947,965				
General Fund Contingency, Current Balance	1,947,965	-	-	-	1,947,965

"Budget Amounts" show the beginning and ending budgets (in blue) and the changes associated with increases to contingency and decreases associated with appropriation.

"Reserved " amounts are those for which funds have been set aside for specific purposes

"Committed" amounts are those for which enabling legislation has been passed but has not yet been appropriated in a budget action.

"Appropriated" amounts are those which have been appropriated during budget adoption, a supplemental, or other budget action.

"Available" amounts are the amounts left unallocated after reservations and commitments
