

PARTICIPATION IN NATIONAL NIGHT OUT PARTIES

FY2013-14 OFFICE OF NEIGHBORHOOD INVOLVEMENT

BUREAU NOTES

Overview

Office of Neighborhood Involvement's mission is to promote a culture of civic engagement by connecting and supporting all Portlanders working together and with government to build inclusive, safe and livable neighborhoods and communities.

The Crime Prevention Program is one of four major program areas in ONI. The Crime Prevention Program's goals are to:

1. Increase community participation and stewardship of neighborhood public safety efforts
2. Offer training and educational resources to address crime trends and community needs
3. Facilitate problem solving efforts by coordinating public safety teams and resources
4. Assist in establishing sustainable communication links between the community and public safety system

A fundamental basis for these goals is the fact that a cohesive neighborhood, in which people know each other and have collective efficacy, is a safer neighborhood.

Level of Service

Among many other Crime Prevention Program offerings for the public is the annual celebration of National Night Out (NNO), which is the first Tuesday of every August. Community members are encouraged and taught by the Crime Prevention Program how to have a party with their neighbors. The parties are public safety focused, and are visited by police officers, firefighters, crime prevention coordinators, elected officials, and many others. Neighbors reinforce their bonds with each other and with their government, thereby increasing their cohesiveness. They play games together, share food, talk to public safety officials, and discuss issues of common interest, such as the safety of the neighborhood.

Map Discussion

In Portland, for the annual celebration of National Night Out, there are approximately 160 parties, with a total attendance of over 20,000. This map shows attendance at NNO parties in 2014, as reported by party hosts, in the eight geographic areas. The 2014 celebration featured 167 parties, with a reported attendance of 23,460. This number is down slightly from the 2013 30th anniversary celebration.
