

PORTLAND UTILITY BOARD

The Portland Utility Board (PUB) is a citizen oversight body for the Portland Water Bureau and Bureau of Environmental Services and City Council management of those public utility bureaus. PUB has 11 voting members and three ex-officio members. One voting member of the PUB is a current employee in a represented bargaining unit with the Portland Water Bureau or the Bureau of Environmental Services. Members are appointed by the Mayor, in consultation with the Commissioner-in-Charge. The Mayor and Council strive to have PUB reflect the diversity of the Portland community.

PUB's purpose is to advise the City Council, on behalf of and for the benefit of the citizens of Portland, on the financial plans, capital improvements, annual budget development and rate setting for the City's water, sewer, stormwater, and watershed services. PUB advises Council on the establishment of fair and equitable rates, consistent with balancing the goals of customer needs, legal mandates, existing public policies, such as protecting water quality and improving watershed health, operational requirements, and the long-term financial stability and viability of the utilities.

- PUB members are appointed to serve for a term of three years. The terms of each member shall run from the date of the City Council's confirmation of the member's appointment, or other date as the Council may establish.

- The PUB typically meets twice monthly on regular dates established by the members. The regular meeting times currently are the first Tuesday of the month from 4pm –6:30pm and the third Thursday of the month from 11am – 1pm, unless there is a need to schedule at another time. Additional meetings may also be scheduled when necessary as determined by the Board Co-Chairs.
- Members can expect to spend between 15 and 20 hours per month participating in subcommittees, attending on-site visits, reviewing materials, or otherwise preparing for meetings.
- New members will be required to attend an onboarding training series of approximately 6 hours over the summer and approximately 4 hours of introductory budget training in the fall.
