The Office of Equity & Human Rights is pleased to submit its Fall Budget Monitoring Process (BMP) report. The following represents the key highlights.

BUDGET ADJUSTMENT REQUESTS

- 1. Encumbrance Carryover** – OEHR is requesting Council approval to carry over \$38,826, primarily to fund the remaining work on a professional services contract for the bureaus strategic plan.

STATUS REPORTING REQUIREMENTS

The Fall BMP requires bureaus to perform several status-reporting exercises. The first explains variances between the FY 2017-18 budget and actual expenditures and revenues. The second requirement is for year-end budgetary performance measures, along with explanation of significant variances. The final requirement is for a status update on FY 2017-18 decision packages. This new program will be a year-long intensive training cohort designed to build organizational capacity to achieve Racial Equity goals throughout the bureaus. Performance Measure Variance Descriptions

OE_0023: FY 2017-18 figures significantly exceeded projections. Consultations range from long-term consultations to shorter-term technical assistance.

OE_0030: FY 2017-18 figures only include affirmative responses that bureaus have translated at least one vital document into at least one of the Safe Harbor languages. Out of 17 bureaus/offices subject to this requirement, OEHR did not receive responses from BDS, BES, Emergency Communications, Housing, Parks, and Police.

OE_0034: FY 2017-18 figures include responses from OMF, Police, Fire, BES, Parks, and Civic Life. Water and PBOT did not provide responses. Spectator Facilities will report in October as information becomes available from other agencies. The number in FY 2017-18 is low due to this missing data, as well as the large number of barriers scheduled for removal by Parks (832 of 17,008 scheduled barriers removed).

OE_0036: OEHR has prioritized training resources to continue to train City employees in Equity 101 at a much faster rate than originally anticipated.

Bureau Reconciliation Narrative

Expenditures

External Materials and Services are underspent due primarily to delays in the implementation of the racial equity toolkit cohort, and general underspending throughout the bureau.

Revenue

Interagency and Miscellaneous are undercollected due to fewer than anticipated charges for services by the bureau.
