BUREAU NOTES LEGEND Crime Prevention Through Environmental Design (CPTED) Assessments **CPTEDs Performed** Many of Portland's public safety education services are offered through the City of Portland, Office of **Number by CPTED** CPTEDs conducted through FY2017-18 CIVIC LIFE Community & Civic Life, Crime Prevention Program. 1 - 7 These services are provided by three teams of Crime Prevention Coordinators who are assigned to specific 8 - 13 regions throughout the city. The services fall into three broad areas: public safety education, community organizing, and connecting community to public safety resources. Crime Prevention Teams can be contacted at: https://www.portlandoregon.gov/civic/28395. 25 - 30Level of Service Crime Prevention Through Environmental Design (CPTED) is the proper design, maintenance, and use GIS Data Classification Method - Equal Interval of the built environment to enhance the quality of life, and reduce the incidence and fear of crime. CPTED review is helpful when landscaping, lighting, security **Mapping Geographies** 1 CPTEDs Performed vulnerabilities and other environmental factors are **CENT** - Central City 30B attracting criminal or problem activity. When this is CNN - Central Northeast Neighborhood the case, Crime Prevention may conduct a property 4 CPTEDs Performed **EPCO** - East Portland Community Office 30B assessment with a responsible party, property **NECN** - Northeast Coalition of Neighborhoods manager or property owner who is willing and **NPNS** NPNS - North Portland Neighborhood Services authorized to follow through on the **NWNW** - Neighbors West/Northwest 13 CPTEDs Performed 5 CPTEDs Performed recommendations. When the recommendations are **SEUL** - Southeast Uplift Neighborhood 30B provided to the responsible party, it is up to the Coalition NWNW property manager or owner to determine what **SWNI** - Southwest Neighbors, Inc. recommendations are implemented. Please see (30B) CPTED principles explained at: CNN NECN https://www.portlandoregon.gov/civic/article/673536 84 213 Map Discussion Mapped CPTED assessments are only representative of assessments conducted. In some cases certain factors (costs, structural design, neighboring buildings, 14 CPTEDs Performed 30 CPTEDs Performed etc.) can limit effectiveness and implementation. 26 **EPCO** Marked assessments do not indicate implementation of CPTED recommendations. CPTED is one tool that can be used effectively, especially when done in SEUL 26 combination with other strategies. While more CPTEDs have been done in the Central city area, **△**[26] 8 CPTEDs Performed Civic Life is hoping to support more robust **(10)** programming in this area and follow-up to see how 11 CPTEDs Performed The information on this map was derived from City of Portland many of the recommendations were implemented, GIS databases. Care was taken in the creation of this map and what might be some barriers to implement. but it is provided "as-is".
