

Portland Utility Board

PUB's purpose is to advise the City Council, on behalf of and for the benefit of the residents of Portland, on the financial plans, capital improvements, annual budget development and rate setting for the City's water, sewer, stormwater, and watershed services. The Board advises Council on the establishment of fair and equitable rates, consistent with balancing the goals of customer needs, legal mandates, existing public policies, such as protecting water quality and improving watershed health, operational requirements, and the long-term financial stability and viability of the utilities.
