

Incident Volume

FY2019-20 PORTLAND FIRE & RESCUE

BUREAU NOTES

Overview

PF&R promotes a safe environment for all people who live and work in Portland and the surrounding areas. It provides an extensive range of public safety services including fire prevention; public education; response to fire, medical, and other emergency incidents.

Each fire & rescue station is responsible for a specific part of the city called a Fire Management Area. Services are delivered 24 hours a day, 365 days a year from 31 stations strategically located to provide emergency response throughout the city. Stations overlap and support one another to ensure a seamless response.

Level Of Service

The map shows total PF&R incident response volume for the Neighborhood Coalitions for FY 2019-20.

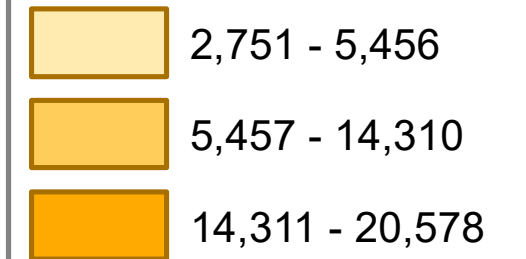

Map Discussion

The maps indicates that in the Central City and East portland neighborhoods had the highest response volume in FY 2019-20.
