RULES OF THE CITY OF PORTLAND HEARINGS OFFICE

ADM-9.01 – CODE ENFORCEMENT HEARINGS

Adopted by the Chief Hearings Officer Pursuant to Rulemaking Authority

ARB-ADM-9.01

A. Purpose and Authority

The Hearings Office is responsible for conducting Code enforcement proceedings in accordance with [Chapter 22.03](#) of the Portland City Code. This rule sets forth guidance for implementing [Code Chapter 22.03](#) and for conducting prompt, efficient, fair, and impartial adjudications of alleged Code violations.

[Code Section 22.03.010](#) authorizes the Hearings Officer to adopt rules and procedures for Code enforcement hearings.

B. Applicability

These rules apply solely to Code enforcement cases filed with the Hearings Office under [Code Chapter 22.03](#).

C. Modification or Waiver; Conflicts

1. The Hearings Officer may modify or waive any of these rules, in the interest of fairness or justice and for good cause shown, consistent with [Code Chapter 22.03](#).
2. In the event of any conflict between these rules and applicable requirements set forth in the Portland City Code, the Code provisions will prevail.

D. Definitions

For purposes of these rules:

1. “Continue” means to adjourn a hearing that is in progress and order that the hearing be completed on another date and time. For example, the Hearings Officer may “continue”

a hearing that is taking longer than scheduled or expected to another date and time to give the parties enough time to present all of their evidence. The Hearings Officer has the sole discretion to continue a hearing.

2. “Day” means calendar day.
3. “Disruptive Conduct” means conduct that interferes with the normal hearing process, as determined by the Hearings Officer.
4. “*Ex parte* communication” means a direct or indirect communication about a code enforcement case pending before a Hearings Officer, between the Hearings Officer and a party to the case or their representative, which occurs outside of a public hearing. *Ex parte* communications do not include communications between:
 - a. The Hearings Officer and any person employed by the Hearings Office.
 - b. The Hearings Officer and the Hearings Office’s legal counsel.
 - c. Hearings Office staff (excluding the Hearings Officer) and City staff or other participants regarding procedures or for verification of evidence in record.
5. "Initiating bureau" means the bureau filing the complaint in the proceeding.
6. “Interpreter” means a person with sufficient fluency to communicate with a party or witness who does not speak English. An interpreter is responsible for accurately translating the party or witness’ statements into English during the hearing, and for translating what is said during the hearing into the language used by the party or witness. “Interpreter” also refers to a person who assists or aides another person due to a disability.
7. “Limited party” means a person or entity that is not a party to a Code enforcement proceeding but has been granted limited party status by the Hearings Officer because of their limited interest in the proceeding or interest in one or more issues to be addressed in the proceeding.
8. “Mail” means electronic mail (email) or first-class United States Post Office mail delivery service.
9. “Party” means a person or entity that is entitled to notice of and full participation in a Code enforcement proceeding, unless such rights are waived. Parties include the

Respondent(s), the City of Portland (through the initiating bureau), and any person who has been granted party status by the Hearings Officer.

10. “Postpone” means to reschedule a hearing for another date and time.
11. “Received” means the date and time a document is time-stamped as received in the Hearings Office; except that a document delivered to the Hearings Office after regularly scheduled business hours or on a Saturday, Sunday, or official City holiday or closure will be deemed to have been received on the next business day at the start of business hours.
12. “Respondent” means the person or entity that is the subject of a Code enforcement proceeding.

INITIATING A CODE ENFORCEMENT PROCEEDING

E. Complaints

1. The initiating bureau may initiate a Code enforcement proceeding by filing a complaint with the Hearings Office, in accordance with [Code Section 22.03.020](#).
2. The Respondent is not required to file a written response to the complaint, unless the Hearings Office directs an answer. Except as may be stipulated or admitted in an answer or at hearing, all allegations of the complaint will be deemed to be denied.

F. Scheduling and Notice of Code Enforcement Hearings

1. Upon receipt of a complaint, the Hearings Office will schedule a Code enforcement hearing in accordance with [Code Section 22.03.025 B](#).
2. A [calendar of scheduled hearings](#) is available on the Hearings Office website. The calendar is subject to change. A person may contact the Hearings Office to obtain the most up-to-date information.
3. The initiating bureau will serve a Notice of Hearing and a copy of the complaint in accordance with [Code Section 22.03.030](#). The Hearings Officer authorizes initiating bureaus to serve a Notice of Hearing electronically (via email) to any party that has agreed to receive electronic notices.

4. If the complaint did not request the vacation, closure, or demolition of a building, property, or structure, but the Hearings Officer determines that such vacation, closure, or demolition is a reasonably possible outcome:
 - a. The Hearings Officer will continue the hearing and order the initiating bureau to give the tenants, residents, and lessees of the affected property notice of the hearing and of the fact that vacation, closure, or demolition is a reasonably possible outcome.
 - b. Such notice must be given in as specified in [Code Section 22.03.030](#), and must also be posted at or near the principal entrance to the structure involved or at any other conspicuous location on the real property.

G. Return of Service; Lack of Proper Notice

1. Before the hearing, the initiating bureau must file with the Hearings Office a Return of Service, which certifies that the Notice of Hearing was served in accordance with [Code Section 22.03.030](#).
2. If the Hearings Officer finds that the Notice of Hearing was not provided to any person who is entitled to notice under [Code Section 22.03.030](#), and that such person did not have actual notice of the hearing, the Hearings Officer will postpone the hearing and order the initiating bureau to provide proper notice, unless the alleged violation poses an immediate and serious hazard to the public health, safety, or welfare or the life, health, safety, welfare, or property of any person.

H. Requests to Reschedule; Continuances

1. Upon receipt of the Notice of Hearing or as soon as possible thereafter, a party may request to reschedule a hearing by submitting a written request to the Hearings Officer that explains the reason for the request.
2. The Hearings Office must receive the request to reschedule no later than 48 hours before the scheduled hearing (not including Saturday, Sunday, or official City holidays or closures), unless good cause to waive the deadline is established by the party requesting the reschedule.
3. The Hearings Officer may reschedule a hearing with the consent of all parties, or for good cause shown.
 - a. The Hearings Officer may find good cause to reschedule if:

- i. It does not appear that the public safety, health, or welfare, or the interests of a party would be prejudiced or endangered by such the rescheduling; and
 - ii. The party seeking to reschedule the hearing has exercised reasonable diligence in trying to avoid the need to postpone the hearing or wishes to postpone the hearing because of circumstances beyond the party's control.
 - b. The Hearings Officer may reschedule a hearing upon such terms and conditions as the Hearings Officer finds necessary or appropriate to protect the public health, safety, or welfare, or to avoid serious detriment to any party.
4. The Hearings Officer may adjourn a hearing and continue it to a later date, on the motion of any party or upon the Hearings Officer's own motion, if it appears that further testimony, evidence, or argument should be received. The time and date of such continued hearing may be fixed at the time of hearing or by later written notice to the parties.
5. A request to reschedule or continue is not valid until ordered by the Hearings Officer.

I. Amending a Complaint

1. The initiating bureau may amend a complaint, at any time prior to the hearing, by filing an amended complaint with the Hearings Office and giving a copy to the Respondent(s) and all other parties and persons entitled to notice. Depending on the nature of the amendments, the Hearings Officer may postpone, continue, or reschedule the Hearing in the interest of fairness or to provide adequate time for parties to respond to the amendments.
2. A complaint may be amended after the hearing only with the consent of all parties or by order of the Hearings Officer. If the Hearings Officer allows a complaint to be amended, the Hearings Officer may do so upon any terms and conditions needed to prevent undue prejudice to the interests of any party, including postponing or continuing the hearing.
3. If an issue that was not raised in the complaint (or answer) is raised at the hearing, without objection, the Hearings Officer will treat the issue as if it was raised in the pleadings. Any party may ask the Hearings Officer for permission to amend its pleadings to conform to the evidence and reflect the issues so raised.

4. If evidence is objected to at the hearing on that grounds that it is not within the issues raised in the pleadings, the Hearings Officer will allow the pleadings to be amended if the merits of the action or defense will be served thereby and the objecting party fails to satisfy the Hearings Officer that the admission of such evidence would unduly prejudice them. The Hearings Officer may grant a continuance to enable the objecting party to gather such evidence.

J. Motions

Motions may be made in writing at any time, or may be made orally on the record at a hearing or conference. A copy of any written motions must be mailed or otherwise delivered to all other parties.

K. Request to Participate as Party or Limited Party

After a proceeding is initiated, any person who has a personal or public interest in the outcome of the hearing may ask to participate as a party or a limited party.

1. The tenants, residents, and lessees of a building, property, or structure subject to a Code enforcement proceeding are entitled to notice of the hearing, but the right to notice does not confer party status. Any tenant, resident, or lessee wishing to participate in a Code enforcement hearing, other than as a witness called by a party, must request and be granted party or limited party status.
2. A person may request party or limited party status by:
 - a. Appearing at the time set for the hearing or any continuance thereof and requesting party or limited party status on the record; or
 - b. Filing a petition with the Hearings Office, before the time set for the hearing, requesting party or limited party status.
3. A person requesting party or limited party status must provide their name and address, the name and address of their attorney, if any, and the name and address of any organization they represent. The person must also explain:
 - a. Their personal or public interest in the proceeding.

ADM 9.01 – CODE ENFORCEMENT HEARINGS

- i. *If seeking party or limited party status to protect an alleged personal interest, economic or otherwise:* The person must show how the outcome of the hearing may affect such interest.
 - ii. *If seeking party or limited party status to represent an alleged public interest:* The person must establish the nature of the public interest, how such interest may be affected by the outcome of the hearing, and their qualifications to represent such interest.
 - b. Why the existing parties, including the City, may not adequately represent the interest identified in Section K(3)(a).
4. The Hearing Officer’s ruling on a petition for party or limited party status will be on the record at or immediately prior to the hearing.
5. The Hearings Officer will grant a request for party or limited party status if the Hearings Officer determines that the petitioner:
 - a. Has demonstrated a personal or public interest that reasonably could be affected by the outcome of the hearing.
 - b. Is qualified to represent the public interest, if the petitioner is seeking to represent an alleged public interest.
 - c. Has an interest(s) in the proceeding that is not, in the Hearings Officer’s opinion, adequately represented by existing parties.
6. If the Hearings Officer grants limited party status:
 - a. The Hearings Officer will set forth the area(s) and/or manner of participation.
 - b. The Hearings Officer may continue the hearing to a later date if it appears that proceeding with the hearing at the scheduled time would jeopardize or unduly burden any party.

CODE ENFORCEMENT HEARINGS

L. Appearances

- I. A party may appear for a Code enforcement hearing:

ADM 9.01 – CODE ENFORCEMENT HEARINGS

- a. Personally or through an attorney, at the time and place set for the Code enforcement hearing and/or any continuance thereof.

2. All Code enforcement hearings are scheduled within the hours of 8:00 a.m. to 5:00 p.m. on Monday through Friday (not including official City holidays and closures).

 - a. **Code enforcement hearings will not be rescheduled for late arrivals.** Persons arriving late may lose the opportunity to present their case or to hear other parties' testimony.
 - b. The parties or their authorized representatives must be prepared to present their cases to the Hearings Officer, including any witnesses and documentary evidence, at the scheduled hearing time. Hearings will not be continued because a party or their representative is not prepared for the hearing.
 4. If a party or witness fails to appear at a scheduled Code enforcement hearing, the Hearings Officer will proceed with the hearing in their absence.
 - a. A party who fails to appear at a scheduled hearing is not entitled to have the hearing continued to a later date, unless the Hearings Officer determines, for good cause shown, that continuing the hearing or holding the record open for a reasonable period of time is appropriate
 - b. Once the hearing record is closed, no additional testimony or exhibits will be considered.
 5. A party who fails to appear at the scheduled Code enforcement hearing will be deemed to have waived all right of further notice concerning the proceeding.

M. Pre-Hearing Conferences; Recesses

1. The Hearings Officer may, at the Hearings Officer's discretion, call the parties together for a conference before the hearing to ascertain what is disputed, hear arguments upon motions, and/or resolve procedural matters.
2. At any time during a hearing, the Hearings Officer may recess the hearing to conduct a conference. All such conferences will be open to the public and the Hearings Officer will summarize the results of the conference on the record.

N. Standard of Proof

Code enforcement hearings are subject to the Hearings Officer's sole direction, control, and discretion. The Hearings Officer will conduct Code enforcement hearings in accordance with [Code Chapter 22.03](#) and the following rules:

1. The Hearings Officer may allow a party or witness to appear by telephone or an electronic remote participation platform, for good cause shown, using procedures established by the Hearings Office.
2. A Respondent has the right to be represented by an attorney, at the Respondent's own expense. The Hearings Office encourages attorneys to notify the Hearings Office (directly or through the case management system) that they are representing a party, so that the Hearings Office / case management system can issue hearings notices directly to the attorney.
3. All Code enforcement hearings are audio recorded.
 - a. Unless a Respondent requests, at the beginning of the Code enforcement hearing, that the recording not be posted, a copy of the recording will be publicly available online within three business days following the hearing date.

4. Before commencing the hearing, the Hearings Officer will give all notices required under [Code Section 22.03.040](#).
5. The Hearings Officer may open the hearing with a brief introduction of the parties, issues, and procedures. At the discretion of the Hearings Officer, each party may be given an opportunity to make an opening statement.
6. The Hearings Officer will give each party an opportunity to present evidence, as follows:

3. The Hearings Office will ensure that exhibits are numbered upon receipt, the party offering the exhibit is noted, and all exhibits are preserved as a part of the record.

U. Hearings Officer's Right to Eject and Exclude Persons from a Hearing

The Hearings Officer may eject any person from the Hearing Room if the person engages in disruptive conduct or otherwise violates [the rules of conduct at City property \(Code Chapter 3.18\)](#).

1. An ejected person may not re-enter the Hearing Room for the remainder of the day.

 5. All final orders issued by the Hearings Office must include a statement that the Order is appealable.

Good cause includes but is not limited to a showing that a party found in violation is unable to correct the violation and comply with the terms of the continuing order, despite all reasonable diligence, for reasons beyond such party's reasonable control.

Z. Civil Penalties

1. In establishing the amount of a civil penalty assessed for a Code violation(s), the Hearings Officer may consider the following factors, and must cite those found applicable:

ADM 9.01 – CODE ENFORCEMENT HEARINGS

- b. The Respondent's cooperativeness and efforts to correct the violation, including any history of taking all feasible steps or procedures necessary or appropriate to correct the violation.

 - ii. Unless a Respondent proves otherwise, the Hearings Officer may presume that the Respondent's economic and financial condition would support the imposition of any civil penalty permitted by law.
 - i. Any other relevant factors.
2. The Hearings Officer may suspend all or any portion of a civil penalty upon such terms and conditions as the Hearings Officer may determine, including but not limited to requirements that:
- a. The Respondent(s) complies with all orders of the Hearings Officer, including payment of any unsuspended portion of the civil penalty(s); and/or
 - b. The Respondent(s) not commit, suffer, or permit any additional Code violations for a designated period of time, up to one year.

3. Civil penalties for violations occurring prior to filing the complaint may not exceed the amount requested in the complaint or amended complaint. This requirement does not limit the Hearings Officer’s authority to assess greater or additional civil penalties for continuing violations in conjunction with a corrective or continuing order, if such order provides that if the violation or violations are corrected or cease, as required by the order, and the Respondent otherwise complies with the order, such additional or greater penalty will be suspended or eliminated.
4. Civil penalties are due and payable by the party(s) against whom the penalties are assessed, at such time as specified in the order.
