Agenda Item	Action
i. Call to Order	WELCOME
ii. Review of Transcription by Accuscript from the April 1, 2015 meeting of the Board.	Make any changes, approval of Board minutes
iii. Approve minutes from the April 8, 2015 meeting of the Board	
iv. Review of a noise variance application from Katy Moore, representing Entercom Portland, 94.7 FM KNRK. They are requesting a noise variance for a music festival for KNRK radio at 2201 SE Water Street in Portland. The noise variance is requested for a concert on Sunday August 16, 2015, from 9 AM to 10 PM. The applicant requests additional consideration for sound check time on Friday August 14 <sup>th</sup> and Saturday August 15 <sup>th</sup> , 2015, for an unspecified period in the application. The applicant requests the ability to operate at 95 dBA at 100 feet, as measured at the sound mixing position.	Approve, Modify, or Deny application
v. Review of a noise variance application from Jill Hutchinson, representing Bureau of Environmental Services. They are requesting a noise variance for the Hollywood-Grant Park Sewer Project. The noise variance is for sewer repair work taking place between October 1, 2015 through September 30, 2016 between the hours of 6:00 pm and 7:00 am. The work will consist of open trench repair work to replace aging sewers and will, in addition, add 12 green street planters and 6 sumps	Approve, Modify, or Deny application
vi. Review of a noise variance application from Brandon Wilson, representing Bureau of Environmental Services. They are requesting a noise variance for the Lower Powell Green Street and Sewer Project. The noise variance is for sewer repair work taking place between July 6, 2015 through October 7, 2016 between the hours of 6:00 pm and 7:00 am. The work will consist of open trench repair work to replace aging sewers and will, in addition, add 22 green street planters.	Approve, Modify, or Deny application
vii. Updates and discussion of existing multi-year variance NV 11-204358 for the reconstruction efforts on the Sellwood Bridge. This noise variance runs from March 15, 2012 to November 30, 2015. The applicant and a construction representative will be on hand to discuss the complaints they have received since the last Board update, as well as any actions and or improvements that have been undertaken to limit noise impacts on the community. There will be time included for citizens to share their own noise concerns with the project.	
viii. General Open Public Testimony	
ix. Adjournment	

For language or disability accommodations, contact the Noise Control Office at least 2 business days prior to the event.
