**SUBJECT:** Substitute Ordinance on Pile Driving (803) for July 29, 10:45 a.m.

Dear Colleagues:

We are submitting a substitute ordinance on Pile Driving to be heard at 10:45 a.m. (Time Certain) on Wednesday, July 29. The proposed changes to Title 18, Noise Control will be focused solely on Pile Driving.

The original ordinance heard by Council on July 9 included proposed code changes on the noise variance appeals process and Central Employment (EX) zones. Both of these items are being pulled back by our office for further exploration with ONI staff, the Noise Review Board and community stakeholders.

Please find the substitute ordinance attached.

Thank you.
