4. Please briefly describe your business's process to respond to and resolve complaints and/or concerns from neighboring businesses or residences.

Chalice Farms dispensaries always wish to be good stewards of the neighborhoods we occupy. As such, we always have open lines of communication with our neighbors. In the event of a complaint or neighbor's concern, the manager of this location would forward that complaint to our Retail District Manager. The RDM would collect any requisite information, then work with the VP of Retail to come up with a solution, within OLCC and Portland City rules that would alleviate the concern.
