**2. Please describe how your business will prevent cannabis products from being consumed around or near your business.**

Camera's are stationed at all exits and monitor the parking lot and all surrounding areas. Monitors are under constant surveillance. Additionally, staff walk the parking lot and perimeter of the store at least once every hour.

**3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.**

Our store has more than 20 parking spots in the lot and we are set back from the main street. We have regular maintenance employees dedicated to the upkeep of the surrounding areas. Our employees also actively walk the premises, both inside and out, to make sure no marijuana or related paraphanelia is littered around the store.
