**2. Please describe how your business will prevent cannabis products from being consumed around or near your business.**

Our business has large legible signage in the parking lot and outside of the business, informing patrons and the public of the laws and regulations related to public consumption. All products sold in store will carry labels and recommendations discouraging public consumption and irresponsible uses, such as operating a motor vehicle under the influence. Our parking lot is solely used for our business, and will be watched by camera and business personnel to discourage and prevent loitering and/or potential patron consumption on our premises.

**3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.**

Our business is located at the end of a dead end street in an industrial area far away from residential dwellings. We also have a 6 foot high concrete security wall provides a noise buffer for neighbors. The top of the wall is lined with razor security wire to ensure a safe premises. Patrons will be discouraged to loiter on the premises and be asked to leave promptly after purchase. Our business has ample, private, proprietary, gated and secured parking. Our parking lot is capable of providing parking for up to 20 vehicles at a time, our patrons will not require street parking in or around neighborhood property. Our business will provide and maintain trash cans outside our premises to help eliminate refuse and litter. Our employees will be required to clean our personal parking lot and surrounding areas daily for litter and trash created by patrons.
