1. Please describe your plan to prevent theft at the licensed premises, including robberies, burglaries, and shoplifting.

All points of entry will be fully monitored by a 24hr monitoring / alarm system.

All interior and exterior areas will be covered with a high quality video / recording system that are stored on site and off site.

Video recording system will be kept in a locked office and only accessible by managers/ owners.

Panic buttons are located through out the store as well on key fobs that owners and managers will have on them at all times while in the building.

Signs will be posted in the lobby and sales floor that there are cameras and 24hr surveillance.

Signs will be posted that all shoplifters will be prosecuted.

Product that is needed to fill the sales floor will be the only product that is not locked during business hours. All other product that is in back stock will be stored in a locked safe. Every day at close all products from the sales floor will be locked back up in safe until the next day.
