3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.

As a business owner of a restaurant in the same building, keeping the neighborhood impact to a minimum is important to me. I have open communication with my neighbors as well as patrons and police and welcome feedback at any time. We will do our best to encourage our customers to behave in positive ways, and will monitor the physical area surrounding our establishment. We will maintain hours of operation that are respectful of the families that live close by. We maintain cleanliness of garbage cans and exterior of the building.

4. Please briefly describe your business's process to respond to and resolve complaints and/or concerns from neighboring businesses or residences.

I encourage FACE to FACE interactions AS MUCH AS possible so THAT we can work together on A plan to come up with solutions that work for ALL PARTIES. When A face to FACE interactions are NOT possible. ~~I~~ I am happy to communicate with people by email or phone whatever means is best for them. I often speak with customers and neighbors of our business about their thoughts and concerns. It isn't possible to please everyone, but listening and trying to understand another's point of view HAS been very helpful in ~~managing~~ RELATIONSHIPS with any other business. We are also a part of the WOODSTOCK Business Association and Neighborhood Association.
