1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.

Our facility strictly enforces proper ID checks upon entrance to the frontdesk/ reception area. Each person who enters the premises must check in with valid identification to proceed into the dispensary sales area (behind locked door). All members of staff are trained to check DOB of each customer before any sales occur (per Employee Manual). Access to our establishment is controlled and monitored by requiring each person to check in at the front desk prior to entering the main dispensary sales floor. We have a posted sign to notify customers that the age requirement to enter the facility is 21 with valid ID. Every product is labeled with warnings about the dangers of operating motor vehicles and the risk of child consumption.

2. Please describe how your business will prevent cannabis products from being consumed around or near your business.

In accordance to our Employee Manual, all employees and customers cannot consume marijuana products inside and/or outside the building. Customers are educated by employees, and the posted signs at our facility, that they may not consume marijuana products irresponsibly in public or in the immediate vicinity of the premises. All products are packaged appropriately with warning stickers to deter immediate consumption.

3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.

Our facility actively works with neighboring businesses to create a safe and clean environment free of loitering, unauthorized parking, and unauthorized use of our locked garbage containers. We avoid negative impacts on the neighborhood by ensuring the property is maintained effectively. Our facility provides patrons with designated parking spots (signs posted) and a private trash/recycling containers to keep the premises clean and orderly.

4. Please briefly describe your business's process to respond to and resolve complaints and/or concerns from neighboring businesses or residences.

We have never received any complaints from neighboring businesses or residents about our facility. If any complaints were received from neighboring businesses or residents, the owner and/or manager would meet with the complaining party to ensure resolution of the issue personally. Proper steps would be taken by the authorized employee to work with any complaining party to reach a compromise and ensure all businesses in the area are pleased.
