1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.

All patrons are greeted at our reception and required to present a driver's license, passport, or government issued identification showing they are over 21 years of age. Our staff is trained to explain to people that minors should not be allowed to possess or use cannabis and cannabis products because of the potential negative consequences. They are armed with appropriate information to remind patrons to keep cannabis locked away from kids, to avoid accidental ingestion and generally protect those who are vulnerable.
