1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.

Satchel maintains a plan to control access to its establishment. Namely, satchel

- verifies the age of all customers to ensure retails customers are 21 ears of age or older and medical customers are 18 years of age or older
- provides training to employees to recognize false identification
- all customers must check in at reception before they may enter a point-of-sale area
- all employees will be age 21 years and older
- only employees will have access to licensed premises
- only certain employees will have keys and alarm codes.

Satchel will reguse service to any customer who we beliee is purchasing marijuana products for minors, product packaging has "keep away from children" warnings and educational handouts will be made available to educate patrons on the risks of marijuana use by minors.
