2. Please describe how your business will prevent cannabis products from being consumed around or near your business.

- "Educate Before You Recreate" poster with info about public consumption illegality displayed at register
- Premises monitored for inappropriate activity, including public consumption; violators will be confronted and pointed toward educational resources while combative violators will be reported to Portland Police Bureau
- Employees are encouraged to warn patrons about edible doses and high-THC products

3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.

- We plan on joining the local business association to gain a better understanding of the community's concerns and respond to their feedback to the best of our ability
- Street parking is available out front; we will work with adjacent commercial property owners to pursue 30 minute time-limited parking on our block to prevent loitering
- Garbage and recycling receptacles will be available to customers in the shop to mitigate litter
