**1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.**

This process will begin at the security wall located inside the front entrance. Prior to accessing the retail area, the customer must present his or her ID to an employee who is behind a secured wall and bulletproof glass. Signs will be mounted on entry door to retail area. Every ID will be thoroughly inspected to ensure that said customer is at least 21 years of age or older. Employees who fail to comply with this rule will at minimum face "violations and enforcement" in the Green Gratitude LLC Policies and Procedures on pages 4 and 5. Immediate termination may result.

Signs will be posted in plain site around retail establishments.
