1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.

All persons entering the dispensary must wait in the lobby till there ID is checked and then the allowed through the locked door to the dispensary.
We Have posters displaying the warnings and information we give the state warning with every purchase

2. Please describe how your business will prevent cannabis products from being consumed around or near your business.

We have cameras out side and we tell all customers that is illegal to consume around the business if we see any persons lingering out side we go out and tell them again it is illegal to consume and we will report them if the do not leave.

3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.

We do not allow them to linger in our parking lot we are on Mcloughlin Blvd and our noise impact is none.
We clean the outside area in the morning and at night everyday we want our place to look good.
Any trash left outside by the homeless which we deal with everyday we also pick up and discard.
Every spring all our employees we take one day coordinator with the sellwood neighbor association and my guys actually go into the creek and we remove all garbage that has accumulated over the fall and winter from the creek
Also allow a community garden on the west side of the property we see many elderly people working it and enjoying the fruits of there labor.

4. Please briefly describe your business's process to respond to and resolve complaints and/or concerns from neighboring businesses or residences.

To date we have had no complaints we cooperate and talk with the neighborhood association and all local businesses I feel we would all work together to solve any complaints, actually I feel we are a good team here and we generally all come together to help each other our problems here and more with transients stealing and damaging property not our customers.
