- F. The use of "smart alarm" back up beepers, instead of a standard reversal alarm, is required between the hours of 6 pm and 10 pm and a guide person or "spotter" for backing equipment between 10 pm and 7 am the next day.
- G. Permit is revocable by either the Portland Police Bureau or the Noise Office. A copy is to be supplied to the local Precinct for the Night Sergeants.

To the Applicant:

1. Carry this document with you during the activity. This is not a permit to make more noise than is minimally necessary for your needs.
2. Violation of the conditions of this variance constitutes grounds for revocation of the variance, and denial of future applications, and may also result in the issuance of citation(s) for violations of City Code.
3. If a Police or Noise Control Officer should appear, his/her instructions will supersede this variance and take precedence.
