1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.

We will have exterior signage at the entrance of the store that reads "only individuals that are 21 years of age with a valid id will be permitted on the premises".

Each individual will have to present their photo identification at the security window prior to entering and our staff members are trained to check each id. Any id that appears to be compromised will be turned away.

To educate patrons on the risks, we will have "Pregnancy Warning", "Educate Before You Recreate" and "Poison Prevention" posters and pamphlets.

We will have signage "No On-Site Marijuana Consumption" posted on the premises and in specific areas outside the premises.

Trained staff will also be verbally reminding customers that no on-site marijuana consumption is allowed near or on property.
