

Noise Variance Application - Construction

This is an application for a construction variance from the Portland Noise Ordinance. You should apply for it if your activity will make more noise than the City Code allows. **Please read and fill it out carefully; your application will not be considered unless all information and required site plan is provided and legible.** Use separate pages if necessary. The request may be approved, denied or approved with conditions. Most applications will be reviewed within ten (10) business days; some may require more time. If you need help, you may call the Noise Control Office at 503-823-7350.
