Changes to the City of Portland Livability Programs during the COVID-19 State of Emergency

Closed to Walk-ins

To limit the risks to public health during the City of Portland's COVID-19 State of Emergency, the Office of Community & Civic Life and City Hall will be closed to the public. Civic Life will follow the direction of the City of Portland to determine when to begin accepting walk-in applications and payments again.

No new liquor licenses

During the State of Emergency, the Liquor Licensing Program will not be accepting applications for any liquor licenses (temporary or annual)

For questions, call 503-823-4520 or email liquor@portlandoregon.gov. The voicemail and inbox will be checked regularly by staff that are working remotely.

Submit Noise Forms Online Only

The Noise Program will continue to process [noise variance applications](#) and [noise complaints online](#).

As the situation evolves, Civic Life will continue to post up-to-date information on our website and social media.
