1. Please describe how your business will ensure that no one under the age of 21 is admitted, and how your business will educate patrons on the risks of marijuana use by minors.
<p>Per OLCC rules, we will post all the required signage at the entrance to the building and inside. Employees will be trained that if they see anyone who appears under the age of 30, to check the individuals ID at the door before they are even allowed to enter the area. Any person under the age of 21 will be refused access. We will have all of the required security cameras and safety measures in place to prevent access during both business and non business hours.</p>

2. Please describe how your business will prevent cannabis products from being consumed around or near your business.

We will have all the necessary signage around the building outlining the 'no consumption on site' policy. Security cameras will provide coverage all around the building and staff will be trained to remain hyper vigilant while working.

3. Please describe how your business will prevent and address potential negative impacts to neighborhood livability such as noise, parking, garbage, or loitering from your patrons.

In terms of prevention, we will have state of the art surveillance equipment to make sure all rules and regulations are being followed and make sure no disruptive behaviors impact our surrounding areas.

We will not allow loitering. We will have garbage receptacles in the building.

4. Please briefly describe your business's process to respond to and resolve complaints and/or concerns from neighboring businesses or residences.

If any concerns should arise, staff will be trained to take those complaints seriously and escalate them to management if they are not able to effectively address them immediately.
