Reservation start and end times must be within this window - the shop is closed at 5:45PM.

3. Who is eligible for using a Motor Pool vehicle?

City employees conducting city business with bureau approval may use the Motor Pool. Individuals must be 18 years or older and possess a valid driver's license. In addition they must have an acceptable driving record - evaluated by their own bureau through Risk Management - and they must complete one of the City's defensive driving courses. Refer to BHR [Administrative Rule 4.13](#)

4. What types of vehicles are available in the Motor Pool?

Micro Smart Car	Pickup
Electric Sedans	Minivans (call for Stow 'N Go assistance)
Hybrid Sedan	Electric and Regular Bicycles
Sedans	

5. How do I get the keys from the Key Manager?

Keys can be picked up 15 minutes prior to your reservation start time in one of two ways:

1. Enter your confirmation code on the Key Manager keypad
2. Hold your data key fob in front of the reader screen and follow the prompts to enter your PIN which will pull up your next reservation at the Key Manager. This eliminates the need to remember or print out a new confirmation code for each reservation.

6. How do I fuel a Motor Pool vehicle?

We ask that all drivers check their fuel gauge before leaving the garage and to fill up the tank upon returning as a courtesy to their coworkers. There is a fueling station located in the Motor Pool garage.

7. What if I am not near a city fueling site?

If you have to fuel at a public fueling site, keep the receipt, and submit it to your bureau for petty cash reimbursement.

8. What are the FY18-19 rates?

Vehicles (micro smart car, electric sedans, hybrids, sedans, minivans, pickup)

\$7.93/hour

\$38/day maximum

\$187/week

\$629/month

Regular Bicycles

No Show Flat Fee Charge: \$10.00

Lost Account Data Key Fob Replacement: \$9.00/each

Lost Vehicle Data Key Fob Replacement: \$20.00/each

Lost Vehicle Engine Key Replacement: Varies Depending on Vehicle

10. What if I am running late and return the vehicle after my scheduled return time?

The Key Manager will identify a late return and automatically rotate the next reservations so that the next scheduled driver will have a vehicle. You will receive an automated email stating that the keys have not been returned. Your reservation will be automatically extended for 15 minutes at a time until the vehicle is returned. You are charged for the time the keys are out of the Key Manager.

11. What if I need a vehicle for more than a month?

Special rentals can be arranged. Call 503-823-2277 or email the Motor Pool staff at motorpool@portlandoregon.gov to make a special request.

12. Can I rent a Motor Pool vehicle for personal use?

No, Motor Pool vehicles are for city business only.

13. Do I need to pay when I park a Motor Pool vehicle on a metered street?

City vehicles identified by public registration plates may park on a City of Portland street for free for the maximum meter hours posted. If a vehicle is parked longer, the vehicle can be ticketed. Like any other ticket incurred in a city vehicle, the driver is personally responsible for paying any fines.

14. What if I need roadside assistance with my motor pool vehicle?

Should you need roadside assistance with a motor pool vehicle (ex: flat tire, locked keys inside, tow, etc.), contact the Municipal Garage at 503-823-4341 (M-F, 7:30am-5:30pm) or the Kerby Garage at 503-823-1806 (24 hours, M 6:30am - F 11:30pm). For after-hours emergency weekend assistance, contact the tow desk at 503-528-7468. Charges for emergency roadside assistance will apply.
