

FREE LEGAL CLINIC: RELOCATION ASSISTANCE

Wednesday, March 15

6:30 PM

David Douglas High School

1001 SE 135th Ave.

Portland, OR 97233

We are collaborating with the Oregon Law Center and Legal Aid Services of Oregon to host a **free** legal clinic to help tenants determine if they are eligible for relocation assistance as a result of the recently passed tenant protection ordinance. The ordinance requires landlords to provide relocation assistance to tenants if they serve a no cause termination notice, notice of rent increase over 10%, or fail to renew or replace an expiring lease with substantially the same terms.

The clinic will also help tenants learn how to bring an action in Small Claims Court in Multnomah County if a landlord refuses to pay relocation assistance. We encourage tenants and service providers to attend.

Close to TriMet stops for the 20 bus (SE Stark & 133rd) and 73 bus (SE Madison & 122nd).

Families are welcome & daycare will be available.

Light refreshments will be served.
