

The Historic Belmont Firehouse Hosts “September 11th Reflection”

Please accept this invitation to visit the
Historic Belmont Firehouse
900 SE 35th Avenue (at Belmont), Portland, Oregon
on

September 11th, 2009
from 7:00 a.m. to 7:00 p.m.

The firehouse will open its doors to anyone wishing to reflect on
the events of September 11, 2001.

A unique feature of the firehouse is a bronze sculpture named “Strength of America.” This represents and lists the names of the service providers who lost their lives in the attacks on the World Trade Center and the Pentagon. The memorial contains 570 names of firefighters, police officers, Port Authority officers, emergency medical officers, Army personnel, and Navy personnel.

The memorial is intended to honor those who placed service before self on that day. There will be no ceremonies or speakers. This is an opportunity for guests to reflect on this event in whatever way they choose.

Coffee will be served and quiet areas will be provided.

Contact Don Porth, Belmont Firehouse at (503) 823-3615 with questions.
