

Underground Companies with Certified Personnel

Certified by the Portland Fire Marshal's Office

The installation and repair of underground fire lines and private hydrant systems are required to be installed with a permit from the Fire Marshal's office. We also require that the installation and testing to be performed or supervised by an individual certified by the Fire Marshal's Office. COMPANIES ARE NOT CERTIFIED! The following companies employ individuals certified for this work. Your contract for services should specify that the work be done by an individual with a valid Certificate of Fitness for underground piping OR water-based systems. The following list is subject to daily changes. For the most current information, please contact (503) 823-3712.
