

Fixed Systems Companies with Certified Personnel

Certified by the Portland Fire Marshal's Office

As per Title 31.50.20.110, a certificate of fitness is required for fixed fire extinguishing system installation, alteration, testing, service or repair.

Fixed Extinguishing Systems are required to be serviced AT LEAST every six (6) months and after activation of the system. We require this test to be performed by an individual certified by the Fire Marshal's Office.
