“Even though most Oregonians don’t smoke these days, smoking remains a leading cause of fire deaths.”
— Rich Hoover, Oregon Office of State Fire Marshal

**Keep your family safe:**

**Don’t allow anyone to smoke inside your home.**

**Make sure that people:**
- Do not smoke within 25 feet of the building.
- Smoke away from things that burn (barkdust and planters).
- Safely dispose of cigarette butts in a non-combustible container with water or sand.

**Let your housing manager know if you see:**
- People flicking cigarettes on the ground or putting them out in planters.
- Cigarette butts spilling out of containers.

**Ask your landlord to adopt a no-smoking policy for the property.**
- Information available at [www.smokefreehousinginfo.com](http://www.smokefreehousinginfo.com).

**If loved ones use medical oxygen, make sure they don’t ever smoke when using their oxygen.**

**Quitting smoking is not easy.**

If you or someone you know is ready to quit, the Oregon Tobacco Quit Line can help:
