COMING SOON:

EQUITY MANAGER POSITION

AT PORTLAND FIRE & RESCUE

Do you have what it takes to become Portland Fire & Rescue’s first Equity Manager? Know someone who does?

Portland and the metro area have long counted on PF&R to be on the leading edge of emergency response services. When you’re on our team, you will be working alongside some of the most trusted public servants in the City. Portland Fire & Rescue is consistently among the highest rated City bureaus in an annual community survey.

When you’re a part of Portland Fire & Rescue, you’ll be following our motto: Always Ready, Always There. You’ll be ready to help this exceptional bureau continue in its tradition of working together to be the best. You’ll always be there to lead bureau personnel in furthering PF&R’s five-year equity action plan. You will be Portland Fire & Rescue’s first equity manager, but you will be following in the footsteps of many at the bureau who have come before you and worked hard in the areas of diversity and inclusion. While you won’t have to complete a physical agility test like our firefighters, you will have to pass many management agility milestones.

Are you up for the challenge?

Pay: $7,315.00 - $9,745.00 monthly
