Dear Commissioner Fish:

As you know, we are celebrating the 25th Anniversary of the Steve Lowenstein Trust this year, honoring Steve Lowenstein's life and legacy of enhancing the lives of citizens in the City of Portland.

On behalf of the Trust, we are recognizing you for your commitment to Steve's legacy. Our board has voted unanimously to appoint you as an "Honorary Trustee," along with a few others who meant a lot to Steve.

It is with a great deal of pride, respect, and appreciation for your leadership and work that we bestow this honor you. Your personal relationship with the Lowenstein family is a testament of your continued commitment to Steve's ideals and values. Those of us who had the wonderful pleasure of knowing and working with him – his family, his friends, and his colleagues – know he would be pleased with this decision. Evie would be even more pleased, and we are certain she would find a perfectly appropriate way to express her pride.

Thank you for continuing to make a difference and we welcome you on this team with open arms.

Cordially,

Joe Hertzberg,
Chair of the Board of Trustees

Michelle Harper,
Former Chair of the Board of Trustees
