General Public Comment:
Mr. Del Stevens addressed the Board regarding the settlement that was worked out in mediation regarding the overpayment of pension benefits. He explained the disparity of the settlement. He stated that he understood that the consequences of not paying back the overpayment were harsh and he felt the proper thing to do was to pay the overpayment, which he did. He added that some people felt they did not have to pay it back and filed a lawsuit, and in a mediation proceeding, a settlement was reached that those people who were part of the lawsuit would only pay back 60 percent of the overpayment. Mr. Stevens stated that the settlement left out people who already paid in advance of the settlement and he felt there was an inequity. He asked the Board if they were going to treat everyone the same.

Mr. McGair explained that the settlement that the Board approved applied to those members who were in the class and that the class was defined as anyone who did not consent to repaying the overpayment amount prior to August 2012. He added that Mr. Stevens consented to paying back the monies overpaid prior to August 2011 when the lawsuit was filed, so technically he was not a member of the class and not subject to the settlement.

Mayor Hales asked staff to think about the fairness issue. Mr. Delaney sympathized with Mr. Stevens and stated that Mr. Stevens did the right thing by repaying the overpayment. He explained that the Board agreed to the settlement because there were bad avenues in both directions. He stated that on one side there was a court decision that said the COLA holdback method the Board approved for collecting the overpayment was not proper and on the other side was the IRS saying that the FPDR must collect wrongly paid benefits or they could face plan disqualification.

Mr. McGair explained that the notice that went out also gave members of the class the opportunity to pay the overpayment back 100 percent and they did not have to go with the 60/40 settlement if they did not want to. Ms. Hartline stated that there have been members of the class who have chosen to repay the monies 100 percent as opposed to taking the 60/40 settlement. Mr. Dougherty stated that the FPDR had a right to receive the funds back and he felt Mr. Stevens did the right thing by repaying the full sum overpaid. He added that it was an honorable thing to do and that he felt the court ruling was not about the FPDR’s right to receive the money back but the way in which they can go about getting the overpayment sums back. Mayor Hales stated that he is not sure if the Board can do anything now, but Mr. Stevens raised an important question and that the Board might want to evaluate the situation “after the dust settles”.

Mr. Stevens also raised an issue regarding a request that he made for a copy of a letter that was sent out by FPDR. However that he was told he would need to file a public records request to obtain a copy. Mr. Lehman asked why FPDR could not just give Mr. Stevens the copy. Mr. Hutchison explained that the letter Mr. Stevens requested was
one that was sent to members of the class, and while it is a public document, there is a City process for release of such documents. He further added that if the document being requested was a general document that had gone out to all members and Mr. Stevens wanted another copy, there would have been no problem.

**Action Item No. 1 – Discussion on Public Hearing on Proposed Administrative Rule Amendments Held on August 27, 2013:**

Mr. Hutchison provided some background on the proposed rule changes. He also stated that a public hearing on the proposed rules was held on August 27, 2013. He explained that the proposed rules were prepared by staff because of past audits, as well as the voter-approved Charter changes in November of last year. He added that based on the public hearing, he would be deferring ten of the proposed rules to another meeting. He also explained the four rule amendment resolutions that were being presented to the Board.

**Action Item No. 2 – Resolution No. 479 – Administrative Rule Amendments:**

Mr. Hutchison explained that proposed rules associated with Resolution No. 479 are straightforward and mostly housekeeping changes. He added that, based on the comments from the public hearing, two items were taken out from the proposed rules: 1) some definitions that were capitalized, and 2) 30-day timeline for particular actions (not the original claim filing). Mr. Delaney questioned the terms “assaults” and “combats” and asked that they be added to a future “to do” list.

**Public Comment:**

Mr. Hall addressed the Board and asked that the 14-day timeframe for reconsiderations be placed on a proactive list for future study. He stated that he originally had questions regarding the 30-day timeframe at Section 5.7.06, but because that particular amendment was removed from the proposed rules, his only concern on Resolution No. 479 was in Section 5.8.02. He stated that it could probably go on the proactive list, but asked that his concerns on Section 5.8.02 be noted for the record and that he would like to have a future discussion about mixing the terms “Required Duties” and “Assigned Duties”. He had nothing further to add to Resolution No. 479.

*Mr. Delaney made a motion, which was seconded by Mr. Lehman and unanimously passed by a roll call vote to adopt Resolution No. 479.*

Action Item No. 2 – Resolution No. 480 – Administrative Rule Amendments:

Mr. Hutchison explained that Resolution No. 480 consisted of five rules regarding Sections 5.6.01, 5.6.02, 5.7.15, 5.9.11 and 5.10.09. He explained that the changes to Sections 5.6.01 and 5.6.02 were to update the rules to comply with Resolution No. 477, which the Board passed on May 23, 2013. He also added that Mr. Hall raised concerns at the public hearing about Section 5.6.02 and having to go to the head ALJ to get a recusal of an ALJ. Regarding Sections 5.7.15 and 5.9.11, Mr. Hutchison explained that those sections state that Disability Retirement Age shall be the earlier of the dates of (1) 30 years of service or (2) social security retirement age. Mr. Hutchison stated that there was some concern about why it included the social security wording. However, he explained that the wording was taken from the Charter and a Charter amendment was probably needed to remove the social security wording. He added that there is also a possibility of a financial impact with such a change. Mr. Hutchison explained that the rule change at Section 5.10.09 would require a member to provide documentation of efforts to find employment every other week. He stated that the Oregon Employment Department requires a weekly report.

Public Comment:
Mr. Hall addressed the Board and stated that he would like the record to reflect that he is incorporating his testimony from the August 27, 2013 public hearing. He explained his view on ALJ recusal and stated that when someone actually takes the step of petitioning or “affidaviting” a judge, that lawyer is going out on a limb and once that occurs the relationship with the ALJ is not going to be the same. He explained the process used in Multnomah County whereby an attorney can affidavit a judge and there is an automatic assignment to another judge and suggested the FPDR proposal be modified to do the same.

Mr. Delaney stated that the FPDR only has two ALJs for hearings and did not see how an automatic recusal would work with only two ALJs. Mr. Hall stated that he did not see a prohibition in the Charter from the presiding ALJ in Salem assigning another qualified ALJ. Mr. Delaney stated that he remembers discussions around the ALJs and they were a very limited population because the FPDR is different than workers’ compensation and from PERS disability.

Ms. Bechtold stated that there was extensive discussion when the proposal regarding right of recusal originally came to the Board from Attorney Kevin Keaney. She added that the reason staff recommended and the Board approved the good cause standard and implemented the procedure was because there is a limited pool of ALJs and an automatic veto could force all of the workload onto one ALJ. She stated that it is possible that there could be other ALJs trained and joined to the pool at some point but not currently. Ms. Bechtold also stated that she thought the ALJs were very professional and felt they would recuse themselves if there was actual bias. She added that she thought the rule
was meant to be a “last case, worst case scenario” kind of rule to be implemented. Mr. Hall asked that this matter be placed on the proactive list to ask OAH to train a larger pool of ALJs when FPDR engages the OAH in contract discussions. Mr. Delaney stated to Mr. Hall that if there is any indication that there is an ALJ that is not being impartial to let the Board know.

Mr. Hall stated that he agreed with the definition of “good cause” for removal and did not challenge that. Concerning “Seeking Other Employment”, he felt that the current reporting procedure was adequate and he did not feel the rules warrant putting in a two-week reporting period. On Section 5.9.11, Mr. Hall stated that since testifying at the public hearing, he understands and appreciates the need for the social security language and felt that both the social security language and 30 years of service language in combination are appropriate. He also stated that a question was raised in terms of the PERS members and he did not know if it takes a Charter change, but it should be applied for FPDR Three members as well; that it should be a choice between social security or a PERS normal retirement.

Mr. Delaney made a motion, which was seconded by Mr. Dougherty and unanimously passed by a roll call vote to adopt Resolution No. 480.

Action Item No. 4 – Resolution No. 481 – Administrative Rule Amendments:

Mr. Hutchison explained that the IME process came up several times at the public hearing. Claims Manager Kim Mitchell went over the FPDR process for scheduling IMEs and how IME physicians are selected. Mr. Hutchison also went over areas of concern with the sections regarding IMEs.

Public Comment:
Mr. Hall addressed the Board and stated that, with any of the rules that are brought before them, they need to ask the questions, “why the rule, is it providing clarity, does it meet the expectations in terms of the delivery of benefits, and is it consistent with the Charter?” He also stated that his concerns with Resolution 481 are:

1) Section 5.7.03(I) – the term “any other gathering of information” be taken out.
2) IME appointments scheduled during a member’s off hours. Mandating someone to do something in his or her off hours may be a term of bargaining.
3) Section 5.7.10(H) – relating to cooperating with the examination “and IME Physician”. The term “and IME Physician” should be stricken in all spots. It does not provide clarity and leaves discretion to a third party.

4) Section 5.9.06(F) – relating to elective surgery. A member could be back to work a lot quicker if the elective surgery approval process could be sped up.

Mr. Delaney asked Mr. Hall if he had any ideas on how to speed up the elective surgery approval process. Mr. Hall stated he was not sure it would be difficult to get an agreement whereby it could be done under subrogation. He offered his assistance in discussions with the other insurance carriers. He then stated that under Resolution No. 481, those were his remaining comments and he incorporates his testimony from the August public hearing. In closing he stated that he wanted to thank Mr. Hutchison and Ms. Mitchell for presenting the rules in workable packages and for their willingness to pull some of the rules there was concern on to think them through.

Mr. Hall also addressed the Board regarding Resolution 482. Mr. Hall explained the difficulty of using a labor market survey that is confined to a 50- mile radius of Portland.

Mr. Hutchison went over three different scenarios and stated that the challenge with the labor market is, when you have to make decisions about a person’s employability, where do you do it. He added that there is also an equity issue. Ms. Mitchell stated that the FPDR’s current practice is to use the labor market based on where the member resides. Mayor Hales stated we cannot hold people who choose to work in Portland and live somewhere else harmless.

The Board then went back to discussion on Resolution No. 481. Mr. Lehman stated he would like to see Resolution No. 481 deferred. Mr. Delaney concurred and stated that he would like to see “gathering of information” at Section 5.7.03(I) tightened up. In addition, he asked staff to make sure they have gotten legal advice regarding the off-hours IME appointment scheduling. Mr. Delaney also asked for more thinking on the timeframe for elective surgery and to look at the options to see if there is a chance to have subrogation discussions with other insurers. Mr. Lehman asked that a definition for “good cause” for non cooperation be put back into the proposed rules.

No action was taken on Resolution No. 481 and it was deferred to a future meeting.

**Action Item No. 5 – Resolution No. 482 – Administrative Rule Amendments:**

The Board then went back to discussion on Resolution No. 482. Mr. Lehman stated that the amendment to Section 5.10.05 changes what staff is doing right now and it could affect someone that does not know this is happening who might get hurt tomorrow who has not been hurt yet and lives out of town. He stated that the proposed rule could potentially punish or harm someone just because they happen to live out of town.
Mr. Dougherty made a motion, which was seconded by Mr. Delaney and passed by a roll call vote of 3-1 to adopt Resolution No. 482. (Mr. Lehman opposed the motion; Mr. Foesch was absent from the vote).

Action Item No. 6 – Resolution No. 483 – Increase Online Business Systems Contract:

Ms. Miller explained that they completed the initial replatform of the FPDR database in October 2012. She stated that since then they have made significant strides toward increasing efficiency and functionality, have stayed within their original enhancement budget and have not exhausted it. However, she added that staff has made some conscious decisions to add additional functionality that will provide some cost savings in reporting and enhance tracking, as well as some unanticipated legislative changes that occurred and will need some required enhancement. In order to complete the additional projects additional compensation is being requested.

Mr. Delaney made a motion, which was seconded by Mr. Lehman and unanimously passed by a roll call vote to adopt Resolution No. 480.

Information Item No. 1 – Moody’s Ratings Report:

Ms. Hartline went over the Moody’s Ratings Report and explained that in August the City’s AAA rating on unlimited tax general obligation bonds was confirmed and that Moody’s understands that the FPDR levy is most likely to be sufficient to fully fund our requirements in the future. Mayor Hales stated the rating is very good news and that very few big American cities have a AAA rating for their long term debt, much less have had one for three decades.

Minutes - Summary

THE FOLLOWING SUMMARIZED MINUTES WERE CONDUCTED IN PUBLIC SESSION. THE EXECUTIVE SESSION PORTIONS OF THE MINUTES ARE CONFIDENTIAL AND NOT INCLUDED

Information Item No. 2 – FPDR Disability Retirement Benefits:

Ms. Hartline stated that, at the Board’s June meeting, Mr. Del Stevens asked why the FPDR does not provide a nontaxable disability retirement benefit. She went over a memorandum she provided to the Board and explained that FPDR service disability benefits paid prior to a member’s disability retirement age are nontaxable and that after disability retirement age the member receives a taxable disability retirement benefit. The tax treatment is different because of how the benefits are calculated. She added that a nontaxable service disability retirement benefit could be created with a Charter amendment but such a benefit may affect staff’s ability to manage disability claims, may pose an equity concern and may be difficult to design if it is to be financially neutral.

Public Comment:
Mr. Stevens addressed the Board and explained that, under the FPDR Plan, members have not paid into Medicare and so there are a number of members who are on disability who do not qualify for Medicare. He stated that he is talking about fairness for disabled members and hoped the Board will not just close the door on this issue.

Information Item No. 3 – FPDR Updates:

Ms. Hartline provided the Board with a legislative update. She stated that the Governor has called a special session and one of the proposed changes would affect the FPDR Two benefit adjustment. She went on to state that the proposal is to change the PERS COLA calculation so that it would be a marginal rate structure with a maximum rate of 1.25 percent.

The next meeting is scheduled for November 19, 2013 at 1:00 p.m. Agenda items for the next meeting:
- 2014 schedule
- Update on special session
- Upcoming disability audit.

There being no further business, the meeting was adjourned at 3:30 p.m.

Re: PERS Legislation Update

During the Special Legislative Session in October, the Legislature passed Senate Bill 861 (SB 861), and the Governor signed it on October 8, 2013.

Like SB 822 earlier in the year, SB 861 seeks to reduce PERS costs by creating a marginal rate cost-of-living adjustment (COLA) scheme. The new bill, however, sets a lower maximum rate beginning on July 1, 2014:

- 1.25% on the first $60,000 of yearly base pension, plus
- 0.15% on yearly base pension amounts over $60,000

SB 861 also provides for supplementary payments, but these payments are not included in the yearly base pension for calculating future COLA increases:

- A supplementary payment to each pensioner of 0.25% of the yearly base pension, up to a maximum of $150 (someone with a $60,000 base pension would receive the $150 maximum)
- An additional supplementary payment of 0.25% of the yearly base pension for a pensioner with a yearly base pension of $20,000 or less

The supplementary payments sunset after 2019, but the Public Employees Retirement Board is directed to report to the Legislature its recommendations for the PERS COLA and the supplementary payments in 2018.

Because the supplementary payments are not included in a member’s yearly base pension for future cost-of-living adjustments by PERS, the FPDR staff does not believe that the supplementary payments can be included in “the percentage rate applied to retirement benefits payable to police and fire employees by the Public Employees Retirement System of the State of Oregon” that limits the FPDR Two benefit adjustment in Charter Section 5-312. The Board is therefore limited by Charter Section 5-312 to a maximum increase of 1.25% for the 2014 FPDR Two benefit adjustment.

[(b) If a person's yearly pension or benefit for the previous year totaled more than $20,000 but not more than $40,000, the pension or benefit shall be increased by $400 plus 1.5 percent of the amount of the yearly pension or benefit exceeding $20,000.]

[(c) If a person's yearly pension or benefit for the previous year totaled more than $40,000 but not more than $60,000, the pension or benefit shall be increased by $700 plus one percent of the amount of the yearly pension or benefit exceeding $40,000.]

[(d) (b) If a person's yearly pension or benefit [for the previous year totaled] is more than $60,000, the pension or benefit shall be increased by [[$900 plus .25] $750 plus 0.15 percent of the amount of the yearly pension or benefit exceeding $60,000.

[(3) If a person has been receiving a pension or benefit for less than 12 months on July 1 of any year, the board shall calculate the increase under subsection (2) of this section on the basis of the yearly allowance the person would have received if the person had received the pension or benefit for 12 months.]

(3) As used in this section, "yearly pension or benefit" means the monthly pension or benefit that a person is entitled to on July 1 of the year in which the board is calculating the increase under subsection (1) of this section, multiplied by 12.

SECTION 4. The amendments to ORS 238A.210 by section 3 of this 2013 special session Act apply to all increases to pensions or benefits made under ORS 238A.210 on and after July 1, 2014.

SECTION 5. (1) The amendments to ORS 238.360 and 238A.210 by sections 1 and 3 of this 2013 special session Act become operative on July 1, 2014.

(2) The Public Employees Retirement Board may take any action before the operative
date specified in subsection (1) of this section to enable the board, on and after the operative
date specified in subsection (1) of this section, to exercise all the duties, functions and pow-
ers conferred on the board by the amendments to ORS 238.360 and 238A.210 by sections 1 and
3 of this 2013 special session Act.

SECTION 6. ORS 238.465 is amended to read:

238.465. (1) Notwithstanding ORS 238.445 or any other provision of law, payments under this
chapter or ORS chapter 238A of any pension, annuity, retirement allowance, disability benefit, death
benefit, refund benefit or other benefit that would otherwise be made to a person entitled thereto
under this chapter or ORS chapter 238A shall be paid, in whole or in part, by the Public Employees
Retirement Board to an alternate payee if and to the extent expressly provided for in the terms of
any judgment of annulment or dissolution of marriage or of separation, or the terms of any court
order or court-approved property settlement agreement incident to any judgment of annulment or
dissolution of marriage or of separation. [Notwithstanding any other provisions of this section] Except
as provided in subsection (5) of this section, the total value of benefits payable to a member and
to an alternate payee under this section may not be greater than the value of the benefits the
member would otherwise be eligible to receive. Any payment under this subsection to an alternate
payee bare recovery by any other person.

(2) A judgment, order or settlement providing for payment to an alternate payee under sub-
section (1) of this section may also provide:

   (a) That payments to the alternate payee may commence, at the election of the alternate payee,
at any time after the earlier of:

      (A) The earliest date the member would be eligible to receive retirement benefits if the member
      separates from service; or

      (B) The date the member actually separates from service due to death, disability, retirement or
      termination of employment.

   (b) That the alternate payee may elect to receive payment in any form of pension, annuity, re-
tirement allowance, disability benefit, death benefit, refund benefit or other benefit, except a benefit
in the form of a joint and survivor annuity, that would be available to the member under this
chapter or ORS chapter 238A, or that would be available to the member if the member retired or
separated from service at the time of election by the alternate payee, without regard to the form
of benefit elected by the member.

   (c) That the alternate payee's life is the measuring life for the purpose of measuring payments
to the alternate payee under the form of benefit selected by the alternate payee and for the purpose
of determining necessary employer reserves.

   (d) Except as provided in ORS 238.305 (10) and 238.325 (7), that any person designated by the
member as a beneficiary under ORS 238.300, 238.305, 238.325, 238A.190 or 238A.400 be changed, even
though the member has retired and has begun receiving a retirement allowance or pension. If a
change of beneficiary is ordered under this paragraph, the board shall adjust the anticipated benefits
that would be payable to the member and the beneficiary to ensure that the cost to the system of
providing benefits to the member and the new beneficiary does not exceed the cost that the system
would have incurred to provide benefits to the member and the original beneficiary. The judgment,
order or settlement may not provide for any change to the option selected by the retired member
under ORS 238.300, 238.305, 238.320, 238.325, 238A.190 or 238A.400 as to the form of the retirement
benefit.

   (3) The board shall adopt rules that provide for:
(a) The creation of a separate account in the name of the alternate payee reflecting the
judgment's, order's or agreement's distribution of the member's benefits under this chapter or ORS
chapter 238A;

(b) The establishing of criteria to determine whether domestic relations judgments, orders and
agreements comply with this section; and

c) The definitions and procedures for the administration of this section.

(4) An alternate payee may designate a beneficiary for the purposes of death benefits payable
under ORS 238.390 and 238.395. Subject to ORS 238A.410 (2), an alternate payee may designate a
beneficiary for the purposes of death benefits payable under ORS 238A.410. If the alternate payee
fails to designate a beneficiary for the purposes of death benefits payable under ORS 238.390 and
238.395, the benefits shall be paid as provided by ORS 238.390 (2). If the alternate payee fails to
designate a beneficiary for the purposes of death benefits payable under ORS 238A.410, the benefits
shall be paid as provided by ORS 238A.410 (3). If a judgment, order or agreement awards an interest
to an alternate payee, and if the alternate payee predeceases the member before the alternate payee
has commenced receiving benefits, the alternate payee shall be considered a member of the system
who died before retiring for the purposes of the death benefits provided in ORS 238.390, 238.395,
238A.230 and 238A.410, but for purposes of the death benefits provided in ORS 238.395, the alternate
payee shall be considered a member of the system who died before retiring only if the member would
have been eligible for death benefits under ORS 238.395 had the member died at the same time as
the alternate payee. Payment of the death benefits to the beneficiaries, estate or other persons en-
titled to receive the benefits under ORS 238.390, 238.395, 238A.230 and 238A.410, shall constitute
payment in full of the alternate payee's interest under the judgment, order or agreement.

(5) Any increase in the retirement allowance provided to the member shall increase the amounts
paid to the [spouse or former spouse of the member] alternate payee in the same proportion, except
that:

(a) An alternate payee is not entitled to receive cost-of-living adjustments under ORS 238.360
or any other retirement allowance increase until benefits are first paid from the system on behalf
of the member[,] and

(b) Cost-of-living adjustments under ORS 238.360 or 238A.210 to the retirement allowance
paid to an alternate payee shall be calculated on the basis of the amount of the alternate
payee's yearly allowance or yearly pension or benefit, as those terms are defined in ORS
238.360 and 238A.210.

(6) An alternate payee under this section is not eligible to receive the benefits provided under
ORS 238.410, 238.415, 238.420 and 238.440 by reason of the provisions of this section.

(7) An alternate payee who elects to begin receiving payments under subsection (1) of this sec-
tion before the member's effective date of retirement is not eligible to receive any additional pay-
ment by reason of credit in the system acquired by the member after the alternate payee begins to
receive payments.

(8) Subsection (1) of this section applies only to payments made by the board after the date of
receipt by the board of written notice of the judgment, order or agreement and such additional in-
formation and documentation as the board may prescribe.

(9) Whenever the board is required to make payment to an alternate payee under the provisions
of this section, the board shall charge and collect out of the benefits payable to the member and the
alternate payee actual and reasonable administrative expenses and related costs incurred by the
board in obtaining data and making calculations that are necessary by reason of the provisions of
this section. The board may not charge more than $300 for total administrative expenses and related
costs incurred in obtaining data or making calculations that are necessary by reason of the pro-
visions of this section. The board shall allocate expenses and costs charged under the provisions of
this subsection between the member and the alternate payee based on the fraction of the benefit
received by the member or alternate payee.
(10) Unless otherwise provided by the judgment, order or agreement, a member has no interest
in the benefit payable to an alternate payee under this section. Upon the death of an alternate
payee, the board shall make such payment to the beneficiary designated by the alternate payee as
may be required under the form of benefit elected by the alternate payee. If a death benefit is pay-
able under ORS 238.390 or 238.395 by reason of the death of an alternate payee, payment of the
death benefit shall be made to the beneficiary designated by the alternate payee under ORS 238.390
(1), or as otherwise provided by ORS 238.390 and 238.395.
(11) As used in this section, "court" means any court of appropriate jurisdiction of this or any
other state or of the District of Columbia.

SECTION 7. Section 8 of this 2013 special session Act is added to and made a part of ORS

(a) "Yearly allowance" has the meaning given that term in ORS 238.360.
(b) "Yearly pension or benefit" has the meaning given that term in ORS 238A.210.
(2) Each year, the Public Employees Retirement Board shall make a supplementary pay-

board shall make an additional supplementary payment each year to each member or
member's beneficiary with a yearly allowance or yearly pension or benefit of $20,000 or less.
A supplementary payment made under this subsection shall be equal to 0.25 percent of the
member's or member's beneficiary's yearly allowance or yearly pension or benefit.
(4) The board shall make the first supplementary payments under subsections (2) and (3)
of this section in 2014.
(5) A supplementary payment made under this section may not be included in a member's
or member's beneficiary's yearly allowance or yearly pension or benefit for purposes of cal-
culating cost-of-living adjustments under ORS 238.360, 238.575 or 238A.210.
(6) The board shall pay supplementary payments under this section out of the reserve
account established under ORS 238.670 (1).

Representatives on:

ees Retirement System;

(2) Recommendations relating to the continuation of supplementary payments to members and members' beneficiaries under section 8 of this 2013 special session Act; and
