## AGENDA

5:30 pm—5:35 pm Introductions and Welcome (CRC Chair Kristin Malone)  
(Approved of December 6, 2017 meeting minutes)

5:35 pm – 5:40 pm Director's Report (IPR Director Constantin Severe)

- Chair Malone asked Director Severe if it is possible to get one of the new CRC alternates appointed to replace Ms. Rivera, who recently resigned.
  - Director Severe confirmed that this would be an option.
- In response to Director Severe's report that City Council had authorized the funding for two new investigator positions, Chair Malone asked Director Severe if IPR had considered requesting funding for another staff member to support the Committee. Chair Malone recalled that IPR's opposition to expanding the size of CRC, as recommended by the majority of participants during the 2016 stakeholder group meetings, was based on IPR's representation that it did not have the staff to support the change.
  - Director Severe said that generally, Bureaus are not allowed to add additional positions during the BuMP process. The reason why IPR was able to get these positions was because the investigators' work is directly tied to the settlement agreement. Regarding the point of having appeal panels, IPR would be able to work with the Police Bureau and CRC to make it happen. IPR's limitation had to do with the increasing number of CRC members.
- Chair Malone responded to Director Severe the work of the CRC is also related to the settlement agreement and the expansion of the CRC is for an additional 4 members. She encouraged Director Severe to make that request for an additional CRC support staff at the next budget cycle.
  - Director Severe said he would forward your suggestion to the Auditor.
- Ms. Falk asked Director Severe what would happen if no CRC members were available to attend a PRB meeting.
  - Director Severe responded that the way code is written, there must be a CRC member in force cases. If no CRC members were available to attend a scheduled force-related PRB hearing, the hearing would not go forward.
- Chair Malone asked Captain Bell if there's a possibility of holding PRB meeting in the evenings or on weekends if the Bureau keeps having issues getting CRC members to attend a PRB meeting since all PRB meetings are currently held in the middle of a day.
  - Captain Bell said that the Bureau can look into the suggestion, but that he does not know if it would be feasible.
- Mr. Simon made a comment he found the PRB process to be positive since there's a lot of resources available. If there's a question that comes up during review of a case file, it is often possible to find the investigator in charge of the case, who can immediately answer the question.
- Mr. Schwartz asked Captain Bell if a person can come and review the case file after hours.

- Captain Bell responded that the Bureau has made this possible in the past.
- Ms. Falk asked Captain Bell what day of the week PRB meetings are usually scheduled for.
  - Captain Bell said they are usually scheduled for Monday, Wednesday, and Thursday. Thursday is all day and Wednesday is only in the afternoon.

5:40 pm – 5:45 pm Chair’s Report (CRC Chair Kristin Malone)

- Chair Malone received an email from the Appellant over the weekend regarding his intention to withdraw the appeal that was supposed to happen at tonight’s meeting.
- Chair Malone thanked Ms. Rivera for her service to the Committee.
- Mr. Luna emailed Chair Malone stating that he would like to resign from being the Chair of Crowd Control Workgroup.
- Chair Malone participated in a PRB. She found the process very difficult since she feels that command staff was very resistant to her requests to discuss aspects of the case.
- Chair Malone had a phone call with a representative from PBS regarding the CRC’s potential participation in a screening of a documentary about the militarization of the police. Due to CRC’s position as a neutral body, Chair Malone referred PBS to other organizations that might be interested in sponsoring the screening.
- Chair Malone fielded requests for comment from the Mercury and Fox 12 regarding the last month’s appeal.
- Chair Malone asked Captain Bell about the status of case 2016-C-0407
  - Captain Bell said CRC should expect a response fairly soon.
- Chair Malone has upcoming meetings with Mayor Wheeler and Chief Outlaw.
- Chair Malone asked Captain Bell about the status of case 2016-C-0414.
  - Captain Bell said the case is currently out for findings right now.
- Mr. Simon asked Chair Malone if any of the Committee members are joining her in those meetings.
  - Chair Malone said that the Vice Chair has historically attended these meetings and that she is looking forward to the election of a new CRC member to fill that role.
- Chair Malone will also meet with Ms. Mortimer from IPR to brainstorm ways to better support volunteers.

5:45 pm – 6:00 pm Election of CRC Vice Chair and CRC Recorder (CRC Chair Kristin Malone)

- Mr. Simon nominated Mr. Schwartz for Vice Chair.
- Ms. Falk nominated Ms. Avalos for Vice Chair.
- Mr. Simon made a motion to affirmed Ms. Falk’s nomination of Ms. Avalos as Vice Chair. This was second by Chair Malone:
  - Mr. Simon: YES
  - Ms. Falk: YES
  - Ms. Avalos: YES
  - Chair Malone: YES
  - Mr. Schwartz: YES
  - Ms. Chiller: YES
- Mr. Schwartz nominated himself to be a Recorder.
- Chair Malone made a motion to affirm Mr. Schwartz’s nomination. as Recorder This was seconded by Mr. Simon:
  - Mr. Simon: YES
  - Ms. Falk: YES
  - Ms. Avalos: YES
  - Chair Malone: YES
  - Mr. Schwartz: YES
  - Ms. Chiller: YES
- Mr. Handelman made a comment the Recorder should be keeping track of “parking lot” issues. The Recorder should also ensure that the CRC website is updated.

6:00 pm – 6:10 pm New/Old CRC Business

1. Reviewing case files:
  - The Committee had a discussion on effective ways to review a case file. Some of the appeal cases contain a large amount of videos and it can be very time consuming to review all of them. Mr. Simon

wondered if there is a way to reference the timestamps in the case file summary so people can quickly identify the part of the video referenced in the summary without going through the entire video.

- Director Severe said that if a Committee member has trouble reviewing any part of the case file, IPR can help provide more context into the investigation.
- Mr. Schwartz asked Director Severe if IPR includes all the videos they receive from community members on a case.
  - Director Severe said that IPR eliminates irrelevant videos. For example, in the appeal related to the clearing of City Hall following the PPA contract approval, IPR had 3 or 4 times amount of videos as were ultimately included in the case file. IPR generally tries to highlight the most relevant part of the video in the investigative report. If CRC members find it difficult to figure out what to look for due to a large amount of video evidence, IPR can sit down and provide a little bit more context into the investigation.
- Ms. Falk said that it would be great if the Committee was given a heads-up on the total hours of videos in a case so that they could better plan their review.
- Chair Malone made a comment to Director Severe that it would be helpful if IA and IPR investigators used fewer leading questions and refrained from talking over interviewees.
- Director Severe asked that Committee members raise these issues while reviewing a particular case so IPR can address the issues with the investigator who conducted the interview.
- Ms. Avalos noted that she was having trouble reviewing videos for the recently-cancelled appeal due to the file format. She is wondering if there's a way for IPR to convert those videos in a format that anyone can view.

## 2. Member retention:

- The Committee had a discussion on retention of CRC members. The Committee discussed how to best support each other especially people who have young kids.
- Mr. Schwartz, Mr. Simon, and Chair Malone made a comment they would be more than happy to mentor new CRC members.

- Ms. Avalos made a comment she is willing to volunteer to spend time looking into improving the new CRC member on-boarding process.
- The Committee agreed on having each current member mentor incoming CRC members on a rotating basis.

6:35 pm —6:45 pm Public comment and wrap-up comments by CRC members

- Mr. Handelman made several comments:
  - The Committee from time to time should have a discussion about other topics that they don't normally talk about during busy appeal hearings.
  - IPR mentioned the need to have more staff to make formal recommendations, but CRC has a role in making recommendations as well.
  - Copwatch stopped going to the HRC meetings because they stopped talking about police related issues.
  - One way to stop Committee members being burdened with PRB meetings is to get the police to stop shooting people.
  - Training of CRC members used to be public and it would be helpful if IPR can open it up to the public again.
- Mr. Schwartz thanked Captain Bell for attending all CRC meetings.
