

INDEPENDENT POLICE REVIEW COMPLAINANT — APPEAL REQUEST FORM

Community members and police officers may request an appeal to the Citizen Review Committee (CRC) after an investigation of the complaint is completed and finding(s) determined. CRC decides whether to grant an appeal.

The responsibility of CRC is to determine whether a Portland Police Bureau (Bureau) finding is supported by the evidence. "A finding is supported by the evidence when a reasonable person could make the finding in light of the evidence, whether or not the reviewing body agrees with the finding." *City of Portland Ordinance No. 3.21.020(R)*
