## AGENDA

- **Welcome**
- **ARPA Brainstorm**

President Biden signed the \$1.9 trillion [American Rescue Plan](#) into law giving the City of Portland about \$201-217 million dollars for COVID-19 relief and recovery efforts.

We are engaging with the community to strategize possible digital inclusion proposals for Council to consider when deciding how to allocate the funds.

We will share with you the themes and ideas we've collected from the community so far and encourage you to share any proposal ideas that you believe would have the greatest impact in your community and ask that you help us prioritize proposals to take to Council.
